

## DECLARATION OF CONFORMITY

### Manufacturer

Phase 3 Connectors Limited  
61 Nasmyth Road  
Southfield Industrial Estate  
Glenrothes  
Fife  
Scotland  
KY6 2SD

### Product Description:

This declaration of conformity made under the requirements of the Low Voltage Directive 73/23/EEC, relates to P3-19 pin series multipin connectors. These devices are primarily designed to be utilised in temporary stage lighting and power distribution applications.

### Harmonised, National and Manufacturers Standards

There is no European harmonised specification which covers this specific format of connector. To ensure the safety and operational characteristics of the design, Phase 3 Connectors Ltd, implemented a test program based on recognised European Harmonised and National test specifications of similar devices, utilising recognised test methods.
